

## DIESEL ENGINE OIL ACRO 255

Energeo Diesel Acro 255 engine oil is a premium quality diesel engine oil formulated with superior base oil and high quality additive. It provides outstanding protection for diesel engines running at high temperature. It is optimized to provide maximum control of carbon deposit, minimum oil consumption and best neutralizing ability for not only new engine design but also for old engines.

Energeo Diesel Acro 255 is an excellent lubrication suitable for diesel engines used for transportation, mining earthmoving equipment, construction industries and power generation under constant high speed or start-stop service under severe conditions.

### APPLICATIONS/ BENEFITS

- High temperature piston deposit control
- Corrosion and rust inhibition
- Minimize oil consumption
- Protects against ring and cylinder wear
- Neutralizes acids from high sulfur fuel
- Reduces maintenance by increasing drain intervals

### TYPICAL CHARACTERISTICS

#### TEST DESCRIPTION

#### TYPICAL RESULTS

SAE Viscosity Grade	20W50
Specific Gravity @ 15 °C	0.894
Flash Point, °C	200
Pour Point, °C	-24
Kinematics Viscosity @ 40 °C (cSt)	156
Kinematics Viscosity @ 100 °C (cSt)	18.1
Viscosity Index	120
TBN, (mgKOH/g)	7.2

### PERFORMANCE STANDARDS

- API CF-4/ SG

Available Packed Size: 18L and 200L
