

DIESEL ENGINE OIL ACRO 455

Diesel Engine Oil Acro 455 is a high performance diesel engine that is highly recommended for both on and off highway applications. The robust additives delivers exceptional protection in the modern high output engines including those with Exhaust Gas Recirculation (EGR) as well as older engines operating on either low or high sulfur fuels.

Blended from selected base stocks, Diesel Engine Oil Acro 455 is truly a universal heavy duty diesel oil meeting the stringent Global DHD-1 specification that brings the European ACEA standard and American API performance together for the first time. This means Diesel Engine Oil Acro 455 Turbo Diesel is simply the top player for both the modern North American engines and the top-tier West European engines.

Diesel Engine Oil Acro 455 is also suitable for gasoline engine, benefitting mix fleet owners with a common inventory.

APPLICATIONS/ BENEFITS

- Minimizes oil consumption
- Neutralizes acids from high sulfur fuel
- Satisfying most diesel engine OEM oil demand
- Exceeds the highest API gasoline engine performance as well
- Particular suitable for the latest diesel engine equipped with EGR

TYPICAL CHARACTERISTICS

TEST DESCRIPTION	TYPICAL RESULTS
SAE Viscosity Grade	20W50
Specific Gravity @ 15 °C	0.889
Flash Point, °C	>200
Pour Point, °C	-24
Kinematics Viscosity @ 40 °C (cSt)	192.5
Kinematics Viscosity @ 100 °C (cSt)	20.4
Viscosity Index	124
TBN(mgKOH/g)	9.72

PERFORMANCE STANDARDS

- API CI-4/SL

Available Packed Size: 18L and 200L
