
Product Information

A PRODUCT OF VALVOLINE INC. USA

VALVOLINE SUPER OUTBOARD 2T

VALVOLINE SUPER OUTBOARD 2T is a high performance , ashless , two stroke outboard motor oil for use in all air and water cooled engines . This oil gives excellent lubrication and helps prevent deposits from forming in the combustion chamber . Valvoline Super Outboard 2 T is pre-diluted for easier mixing and suitable for oil-injection systems

VALVOLINE SUPER OUTBOARD 2T is recommended for use in light and heavy duty outboard engines in Fishing Boats , Maintenance and Rescue boats , Personal and Transportation Water crafts .

VALVOLINE SUPER OUTBOARD 2T ADVANTAGES

- Improves engine life through enhanced deposit protection.
- Improves wear protection
- Controls combustion and exhaust system deposits
- Maintains torque and acceleration.
- Ashless additives prevents spark plug fouling

VALVOLINE SUPER OUTBOARD 2 T can be used with fuel to oil ratios of up to 100:1 (as specified by the engine manufacturer)

Performance levels

Meets NMMA TC-W3 requirements

Typical Characteristics

Appearance	Bright & Clear
Colour	Blue
Kinematic Viscosity, cSt @ 100°C	7.60
Pour Point, °C,	- 42.
Flash Point, PMCC , °C, Min.	98

Available configurations: 1 & 4 Ltrs.
